“The Struggle Continues!”

November 4, 2021

Dear Friends,

We have all gone through a tough two years – 2020 and 2021 – due to the Covid-19 pandemic. It has been a time that none of us ever thought we would have to live through. Some of us have gotten this disease. Some of us have lost family members and friends. It has affected all of us in some way, and we hope that it will end soon.

But throughout these two years, we have tried to move forward with our mission. In 2018 SCOPE50 set an agenda that the Board of Directors thought would have an impact. In spite of the pandemic, we have worked on voter registration and getting out the vote. We want to continue with the Oral History Project and collect the personal accounts of the SCOPE Project volunteers and the community leaders who sacrificed so much. We also need, especially during this stressful time, to continue promoting Dr. King’s philosophy of non-violence.

Unfortunately, because of social distancing and the potential for spreading the disease, we have been unable to hold our annual fundraising event. We need your help so we can continue the work we began 56 years ago. I am asking for your financial support as well as your moral support as we move forward in the coming year. God placed us in this land to be servants to his children. We are also disciples of Martin Luther King, Jr. who taught us about love and respecting the dignity of others. He taught us to offer a brighter day.

Any donation that you make to SCOPE50 will be gratefully appreciated. We will accept cash donations, checks, or you may make a credit card donation by going to the SCOPE50.org website. Checks should be made out to SCOPE50 and mailed to 773 Spinnaker Beachhouse, Seabrook Island, SC 29455. SCOPE50 is a 501(c)3 non-profit organization so your donation is tax deductible.

The struggle continues. Dr. King's dream is not yet fulfilled. God bless you and thank you for your love and support.

Sincerely,

John Reynolds
President, SCOPE50
